a. For the 2019/2020 season there will be 6 divisions, a premier division and divisions 1-5, each with its own winners trophy. Div 4 & 5 will be development divisions where player rules will be relaxed. Misuse of this compensation will result in it being withdrawn from the offending team.

b. Any club wishing to resign or join the league shall notify the League Secretary by the 31st March.

c. In the event that 2 teams end on equal points, in line with the East League Rules, the following method shall be used:

- If still equal - least goals against
- if still equal - result of the game between the 2 sides
- if still equal - play-off between the 2 sides

6. Scoring

Win = 3 points
Draw = 1 point
Loss = 0 points

7. Umpires

a. As amended at the 16/17 AGM the general principle will be that Home teams provide both Umpires who must be capable of officiating within the League system. Teams wishing to bring their own Umpire or who have limited resources to provide two ie no Mens club support or single team clubs need to liaise with their oppositions in a timely manner prior to the fixture

Div 4-5 must have a Probationary umpire (referred to as a Level 1 Candidate by Herts & Beds Hockey Umpires Association) ie passed the written Level 1 exam but not yet assessed at Level 1. (Penalty - ♦10 Fine and a deduction of 2 points from the offending team. If the game is played the result stands.)

d. Umpires must collect the team sheet from both teams before the start of the match with the list of players already filled in.

8. Players

All Clubs must select their teams on playing strength so that the strongest available side is put out at each level commencing with the first team. A club may not gain, or seek to gain, unfair advantage by dropping a player or players to a lower team than that for which they would normally play. If any of a Club's league teams are not involved in a league match, the Club shall

not endeavour to strengthen its lower sides by selecting the members of that team and thus potentially gaining an unfair advantage.

a. All players must be individually numbered and must display the number on their shirt. Clubs must register all their players names and numbers with the Results Secretary by the Saturday preceding the 1st League date. Players can only be registered with one Club at any one time. Breach of rule 8a will result in a £10 fine.

b. All clubs must nominate 6 players from their highest team in the Five Counties League, 7 players from their team in a Territorial League, or if in the National League they shall name 11 players from their team in the National league plus 7 players from their next highest team, who cannot play for a lower team, from that for which they were nominated, in a League game.

These lists to be submitted to the Results Secretary by the Saturday preceding the 1st League date.

If any dispensation is required regarding this rule (e.g. injury) clubs should contact the league committee for verification prior to the game.

Breach of rule 8b will result in a £10 fine and a 2 point deduction from the offending team. The result will be overturned with a 3-0 win awarded to the opposition.

c. No player may play for more than one league team per weekend, at any level, except when a second game is as a goalkeeper. If a goal keeper plays twice (in goal) then they are not permitted to play more than one team below that which they normally. Breach of rule 8c will result in a £10 fine and a 2 point deduction from each team. (Exception being Div 4 & 5 Development games)

d. Named substitutes count as playing a game even if they do not participate in the game. Any resulting weeks suspension from play, through gaining a card will count as having played for that many games. Breach of rule 8d will result in a £10 fine and a 2 point deduction.

e. A player may not play for a team more than one below the highest team for which she has played in the same season, eg a player who has played for a 1st XI may not subsequently play for a 3rd XI in the same season. Dispensation may be granted as above. Breach of rule 8e will result in a £10 fine and a 2 point deduction from the offending team.

f. Once a player has played 6 league games for a team, if she subsequently has to play in a league match for a lower team in the same season, the committee must be notified prior to the game for verification. Breach of rule 8f will result in a £10 fine and a 2 point deduction from the offending team.

g. If a player transfers to another club mid-season, they must notify the league before playing any further league matches. Breach of rule 8g will result in a £10 fine and a 2 point deduction from the player's "new" Club. A player may make one move per season unless granted special dispensation by the Committee.

h. If a player

should change their name during the season i.e. they get married, they must inform the league before playing any further league games. Breach of rule 8h will result in a **£10 fine.**

i. In the event of a colour clash, shirt or socks, the away team **MUST** change their strip, the game cannot commence unless both umpires and captains agree. Breach of rule 8i will result in a **£10 fine.**

9. Conduct

The Disciplinary Code of the E.H.A. shall be observed at all times. In the event of a red card being given by any umpire whether qualified or not, a form must be filled in and sent to the league.

10. Matches

a. All games will be arranged by the league results secretary on the dates decided by the league committee.

b. Matches must be confirmed 14 days prior to the game, by the home team.

c. Matches must be arranged by the first name team giving the time, surface and venue.

d. Premier and Division 1 games must be played on **astroturf.**

e. Pitches must comply with the E.H.A. regulations.

f. The league **reserve** the right to insist that a team whose pitch does not comply with rule 10e plays all home fixtures away.

g. Clubs should endeavour to play matches between **10am** and **4pm**.

h. Teams wishing to rearrange a fixture, to an alternative date, must endeavour to give their opposition at least two weeks notice. If the opposition is able to agree a mutually convenient date then the results secretary must be notified immediately.

i. A game can only be **claimed** as a result of late arrival of teams or umpires when the game cannot be completed within the allotted time (this excludes the late running of prior matches). If the game is unable to be played it would be preferable that the game be rearranged rather than claiming the points. If both teams are agreeable then a reduced game with a minimum of 25 minutes each way would be allowed providing that sufficient time is available. A team cannot play with less than 7 players, and if, after every effort has been made to play has failed, then a 3-0 win will be awarded to the waiting team.
